

About me

Full Name: Alejandro Esteban Castro Howez.
Birth: 11/07/1994, 24 years old.
Country of origin: Argentine, currently living in Viedma, Argentina.
E-mail: aech-12@hotmail.com

Work experience

No experience as a web developer.

I've worked in mostly in administrative positions, and also as a waiter and other manual jobs since 2015.

Education

2012 - Graduated high school

2013-2014 - I started civil engineering and dropped out in my 2nd year

Profile

I started learning web development in June, 2018.

I have mostly focused on learning React and Javascript, touching the surface of Node JS and some databases.
